

If we try

# HOW to LOVE

Syed Hossain asks:

I had a bad experience with  
Someone a while back.  
I don't like them anymore but  
I can't seem to feel affection  
for anyone else. why?

and be ourselves again.

Soon we will heal

Instead, if we take  
Some time to chill

and they let us down

PROFOUND PAIN

we may end up more hurt

Often, we aren't interested  
in getting up for a while.

and let our friends help

and we get hurt.

Sometimes we are with  
someone
